

The Way the World Learns to Dive™

## The Specialty of the Month Programme

Become a better diver – enter for the chance to win a £100 voucher and PADI Specialty products each month, PLUS the chance to win a fantastic holiday for two!

Specialty courses are a great way to refine your skills and define the kind of diver you are. The more time you spend honing your skills and having fun underwater, the more opportunities you'll have to make discoveries of your own.

When you successfully complete this month's Specialty of the Month or the Specialty of the Year, complete this entry form and hand it to your instructor who will attach it to your Specialty Certification envelope.

For further details see 'Special Offers' at [padi.com](http://padi.com)
